## SACHEN ARCHIVE INITIATIVE

### Collection and Publications Guidelines

**Collection Guidelines:** Sachen Archive Initiative (SAI) is an educational archive of Sachen Foundation. We make every effort to collect and make available prayers that are within the public domain, covered by fair use or those for which we have received special permission to use from the authors, translators, temples, dharma centers, or publishers. In many cases texts may be collected for archiving but presented on the archive site as a hyperlink to the source text. If we have inadvertently published a prayer which is copyright protected & for which we do not have permission to use, please advise us of our mistake so that we may work to correct it. For more information on SAI's mission please consult our [website](#), [mandate](#), and [mission statement](#).

**Contributing Authors:** By submitting your prayer/work to the SAI, you are granting Sachen Foundation permission to publish, share, and distribute freely your work(s) on the SAI website and other mediums. SAI believes in the free access and distribution of Mahayana materials and your works will be published by SAI under a [Creative Commons Attribution-NonCommercial-ShareAlike 4.0 license \(CC BY-NC-SA 4.0\)](#). Sachen Foundation will never commercially use or profit from any contributed work(s) and you the author, translator, temple, or center exclusively *own* the rights to said work(s) and thereby may revoke our right to share your work(s) at any time.

**Proper Attribution:** Material published by SAI is published under a [CC BY-NC-SA license](#) unless otherwise noted. You are free to share and adapt the material; you may not use the material for commercial purposes; you must give full and complete attribution and indicate if changes were made to the material; and, if material is altered or built upon from the original it must be distributed in accordance with the [license](#). Additionally, Vajrayana material may not be republished or distributed digitally unless in accordance with His Holiness the 41st Sakya Trichen's [electronic distribution policy](#) of Vajrayana material.

**Vajrayana/Restricted Texts:** Materials labelled as restricted and/or Vajrayana in nature are published on a secured passcode protected site. Access is not open to the public and is limited to approved Sakya translators and representatives of Sakya dharma centers and temples. The implementation and material distribution policy was done in collaboration and consultation with His Holiness the 42nd Sakya Trizin. For more information visit our [website](#).
